Dear Mr. Colombo:

Please accept our belated thanks for the tent you donated to the Society. It looks fantastic—even better than we imagined!

As you may know, the tent is set up near the front entrance of the Zoo. We use it for membership sales, and it has been very successful in attracting new members. To date, we have sold nearly 1,000 new memberships!

Your company has always been a pleasure to work with. We appreciate all you have done to help make many of our Zoo events a success.

Again, thanks for the donation of the tent and for your part in our very successful new sales program.

Sincerely,

Darlene A. Thomas  
Director, Membership Services
