Dear Alan,

On behalf of Kids in Flight™, I would like to express my sincere appreciation for your commitment to making Wings of Wonder™ 2007 such a success! Your donation certainly made a huge impact on the event and with record participation this year, we could not have done it without you!

Your decision to participate is clearly a testament to your support of our mission and your personal dedication to improving the lives of children who are battling serious illnesses. I want you to know that your involvement was acknowledged on a large sign placed near the event entrance as well as on each participant's t-shirt.

I hope your experience was as rewarding as mine and that you will consider future participation in Kids in Flight programs. Again, thank you so much for deeply discounting the two 40x60 tents for our event!
