Dear Allen,

I want to thank you, again, for the magnificent tents you and your company constructed for the Kahn/Levin wedding. Both tents worked out perfectly, and so many people asked me who 'did the tents'. I am especially grateful for your attention to all the details, and for making sure everything about the tents was perfect. It was a long 2 weeks of intensive labor, not to mention the incredible heat that all of you had to endure, but the end result was wonderful!!!!

I very much look forward to working with you in the future....Thank You! Thank You! Thank You!
